Thursday, May 17, 2018

TO ALL DOCTORS, DIRECTORS, PROPRIETORS OF HEALTH INSTITUTIONS

RE: PERSONS MASQUERADING AS KMPDB STAFF

It has come to the attention of the Kenya Medical Practitioners and Dentists Board that there is a team of persons purporting to be employees of the Board and carrying out inspections of health facilities in the country. They are asking for a facilitation fee in terms of airtime of a minimum of Kshs. 500 so that they can provide a "checklist" and consequently assist in the registration process.

The trio – a **"doctor Gideon Masakhwe",** a **"doctor Ogeto"** and a **"doctor Mumo" who are using different mobile numbers are purporting to be officers of the Board.**

This matter has already been reported to the Special Crime Prevention Unit who are assisting in apprehending these persons.

You are requested to report cases of your interactions with the said persons to the nearest police station with the details to assist in bringing them to book as they are still on the loose.

Please note that the Board has only 8 Compliance Officers spread across the counties who carry out inspections and always display their Identification badges whenever they are carrying out their activities and do not ask for any form of facilitation.

Kindly circulate this notice widely.

Thanking you for the continued support and collaboration.

DANIEL M. YUMBYA
CHIEF EXECUTIVE OFFICER
MEDICAL PRACTITIONERS AND DENTISTS BOARD
